Region 683 All Star Team Policy

TEAMS

The number of All Star teams is determined by the Board each year and is dependent on these factors:

- number of eligible and approved coaches
- number of players nominated
- number of referees available per team.

Teams must have these minimum number of volunteers:

- 1 tournament coordinator/team manager
- 2 coaches
- 1 coach certified at the appropriate level
- 3 regional or higher certified referees

COACH SELECTION

Coaches interested in being an All Star coach must submit their application to Carly Bass prior to October 15th at carly04@me.com. Include your coaching and referee experience, player dependency (for example, if you have a child you want to coach in the All Star program), co-coaching preferences (if you want to coach with a specific coach), and a brief description of what you hope to provide to the players and region through your role as an All Star coach.

PLAYER SELECTION

Each coach is ultimately responsible for creating their own team. All proposed team rosters must be approved by the board prior to finalization. Teams can be formed by coach recommendation or by try-outs.

A list of certified referees will be provided to all potential All Star coaches. It is the coaches responsibility to review the list, and select players with associated referees.

COACH COMMITMENT

Coaches, with the input of their teams, can decide on the length of their All Star season. Your season can end as early as March or as late as June. However coaches are expected to coach their team through a minimum of 3 tournaments.
